

The Bread of Life

Music and Lyrics by Leo Hartshorn

Recording accompaniment vocals and electric piano- Conrad Moore

Jesus said, "I am the Bread of Life,
I am the Cup of Joy,
Come unto me and rest and rejoice in the Lord."

"Take and eat of this bread,"
That is what my Jesus said.
The bread is my body.
The cup is my blood.
I offer my life unto you.

Jesus said, "I am the Bread of Life,
I am the Cup of Joy,
Come unto me and rest and rejoice in the Lord."

Jesus calls us in union
to share with him in communion.
The bread is his body.
The cup is his blood
He offers his life unto you

Jesus said, "I am the Bread of Life,
I am the Cup of Joy,
Come unto me and rest and rejoice in the Lord."
